

**“When Quality Matters”**

## Pool Opening Newsletter

February 12th, 2020

Dear Pool Owner,

Spring is right around the corner. We hope you all had a wonderful winter and are just as excited about the warmer weather as we are! Please take a moment to read through our spring newsletter as we have made a few changes. Here’s what you should know about opening your pool...

### **Pool Opening Guidelines and Reminders**

1. **Please have all water pumped off of your pool cover.** Let us know if you would like us to clean or service your automatic cover.
2. Make sure power is on to the service panel at pool equipment location.
3. **You are responsible for filling your pool with water 3/4 of the way up the skimmer prior to opening.** This allows for proper circulation.
4. We will add shock and algaecide during the opening, if needed.
5. **We do not balance chemicals or vacuum during our first visit. If you would like us to do either of these, please let us know at time of scheduling.**
6. Please make sure gates, garages, pool rooms, etc are unlocked (or that we have the codes/keys) for easy access of our technicians.

### **Helpful Hint: If you’re not ready to open quite yet...**

Until your pool is open, make sure you are testing your water’s chlorine levels every week. You can add liquid chlorine to your pool even when it is winterized.

### **Do you have a cartridge filter?**

Just a reminder... We recommend replacing your filters every 3-5 seasons and cleaning them every Spring. Please let us know when scheduling your opening if you would like your filters cleaned or replaced.

## **Spring Pricing Increase and Changes**

B&B Pools, LLC is committed to offering our customers the highest quality workmanship while also prioritizing safety and efficiency. Our employees are experienced in their skill (most of which have been with us for 5 years or more), courteous, and truly care about our customers and the work they do. With that being said, after many years of our prices remaining unchanged, we will be increasing some of our labor rates effective immediately. Please see below for a list of the labor items that will see an increase. We sincerely appreciate your business and the relationships we have formed with our customers. We hope that you continue to choose B&B Pools, LLC “when quality matters.”

Labor to open pool in Lewiston: \$95.00

Labor to open pool in Walla Walla: \$145.00

Service Call (up to 1 hour): \$95

Spa Service Call (up to 1 hour): \$105
